with 60 Units	NA	9.90
without Unit Allowance	NA	7.70

⁽¹⁾ A TDD surcharge of **\$0.07** applies in addition to the monthly rate.

Suspension of Business and Residence Service (Vacation Service)

The monthly charge for residence and business access lines will be billed at 50% of the established rate, excluding taxes and surcharges (e.g., SLC, 911 and USF); Any other regulated recurring rates, (e.g., features, listings) applicable on the same account during the suspension period will be billed at 0% of the established rate; Restoration of Service charges (\$9.95) shall apply when ending suspension.

Competitive Responses

\$5/\$10 Offers (10-PB12b)

Existing business customers may be eligible for consecutive bill credits when they contact the Company to inform them that they have received a better priced offer for the same or comparable service(s) from a competitor, or when they contact the Company to disconnect service(s) and agree to retain their service(s) with the Company.

To be eligible, the customer must be subscribed to any business local exchange service and must agree to retain the service(s) for one year after receiving the bill credit. Eligible customers who are subscribed to any local exchange service will receive a \$5.00 per line bill credit for six months when they agree to retain their service(s) for a minimum of twelve additional months, or will receive a \$5.00 per line bill credit for twelve months when they agree to retain their service(s) for a minimum of twenty-four additional months. Customers may receive the credits for a maximum of ten lines.

Eligible customers who are subscribed to any bundled service will receive a \$10.00 bill credit per bundle for six months when they agree to retain their bundled service(s) for a minimum of twelve additional months, or will receive a \$10.00 bill credit per bundle for twelve months when they agree to retain their service(s) for a minimum of twenty-four additional months. Customers may receive the credits for a maximum of ten bundles.

The credits will begin appearing on customer bills the first month bill following the customer's acceptance of this program. The benefits awarded under this program may not be combined with the benefits of other currently available programs or promotions.

If the customer discontinues service(s) prior to the twelve or twenty-four month commitment period, the credits issued under this program will be rescinded and charges for the credit amounts will be reflected on the customer's final bill. Customers are also liable for 50% of the remaining monthly recurring charges for the service(s) disconnected.

Promotions

Simple Choice Unlimited \$10 for 12 Promo (ILEC Ensemble only)

During the period March 1, 2011 through December 31, 2012, existing residence customers may be eligible for a \$10 bill credit for 12 months when they contact the Company to disconnect service and agree to retain service with the Company. To be eligible, the customer must agree to subscribe to the Company's Simple Choice Unlimited Bundle and Embarq Communication, Inc.'s Simple Choice Unlimited Long Distance plan for a minimum of 12 months. The initial bill credit will be reflected on the customer's first or second invoice following the customer's acceptance of this offer and will continue for 11 consecutive months thereafter. If a customer discontinues the Company's Simple Choice Unlimited Bundle and Embarq Communication, Inc.'s Simple Choice Unlimited Long Distance plan prior to the end of the 12 month period, no additional credits will be applied.

Extension of Winback (10-PC04a)

During the period April 15, 2010 through December 31, 2011, new residence customers who order Simple Choice Unlimited Bundle may be eligible for the waiver of all service charges (excluding inside wire, construction, or CPE installation) that are otherwise applicable. To be eligible, customers who are contacted by the Company or contact the Company and request this promotion must agree to establish a new account with the Company that includes (1) Simple Choice Unlimited Bundle; and (2) the Company's High-speed internet (at any data speed).

Extension of Waiver of Access Line Service Connect Charges (10-PC06a)

From May 21, 2010 through December 31, 2011, when new residence customers who are contacted by the Company or who contact the Company and request this promotion establish a new account that includes an access line, the Company will waive the service charges that are otherwise applicable (excluding inside wire, construction, or CPE installation) when the customer agrees to retain service for 12 months. This waiver will only apply to the primary access line. The benefits awarded under this promotion will not be rescinded if the customer disconnects the qualifying service prior to the 12-month commitment period.
